

**STAR Geoenvironmental, LLC (STAR) is a professional engineering and consulting firm offering value-added solutions to our clients to achieve their environmental compliance goals.**

Since 2018, our clients have benefited from our engineering, consulting, safety, and program management services. We specialize in environmental site assessments, SPCC, SWPPP, petroleum storage tank investigation and closure, remediation design, and the management of both Hazardous and Non-Hazardous Waste. We are a certified minority-owned small business.
